

Management Rights - Step by Step

The graphic below takes you through the typical process for obtaining finance and purchasing management rights. The sequence in the graphic assumes that each step is successfully completed in turn. For instance, if a vendor rejects your offer to purchase (Step 3b) you would go back to Step 2 (select another business to buy). If your finance is not approved (Step 10c) we would not provide the Letter of Offer (Step 11).

If you have any questions about any step stage, please contact Mike Phipps Finance.
